Help Wanted

Summer Picnic Coordinator

We need a coordinator for the summer picnic scheduled for Sat. July 12. Ed & Jan Lepore have been heading this up for several years and it's time to give them a break. Ed & Jan have offered to pass along their book of "How Toos" as well as any other information needed. It's a pretty straightforward event with a pot luck structure that spreads the work around and has worked well for us in the past. All it needs is someone to take charge and make some phone calls prior to the event.

To help please contact:

Jeff Sayre, phone: 508-693-4841; e-mail: jeff@flyfishingthevineyard.com

Around The Island

First Island Fish of 2003?

With the coming season a few months away, here's a reminder that we like to try keep track of which member caught the first fish of each species while fishing on the island. If you are fishing in island waters this spring, and think you have caught the first striper under 28", first striper over 28", first weakfish, first bluefish, first bonito or the first false albacore of our membership call or e-mail Bob Lane.
